Dutchmen- 0 Opponent-5

#### Comments:

It was an honor to represent D9 against the WPIAL champion. We went in short handed due to illness and injury against a team with top tier talent. The serves of the Sirainni brothers were too much for Aiello and Eckert to handle. Aiello could hang with the QV opponent during rallies and used his mobility to stay in points. There was just too much firepower on the other side. One doubles played their first match together

against a more seasoned team. Two doubles however played their best match of the year. Many games went to deuce before being clinched by QV. Their intensity never wavered and they represented the school and district as well as they were able.
