Comments: We saw one of the areas best AA tennis teams and though we were beaten soundly, there were some positives. Third doubles continues to be a strength and the young team of Hoffman & Henry are continuing to gel as a team. In singles we played well, but were out-served and outperformed at the net. Nobody gave up and in Luke's case that allowed him to reduce the unforced errors and tough out another three setter. With how badly we need court time it was great that all athletes who went got a match.
