#### Match Totals

Dutchmen- 6 Opponent- 1

Comments: Bradford is great to play because while both teams of course play to win, we also agree to get as many people varsity experience as possible. Two freshmen and a sophomore got match experience that will pay off for the future. The win was secured by Rayan being consistent, Dawson and his tremendous focus and fierce backhand, Luke holding his level, and third doubles battling through nerves. After the match was secured, being able to get one and two doubles played the way we did shows character. For both first and second doubles their

contributions to our win total certainly help the scoresheet, but also shows the guys that their being on the team matters too. Good night for everyone involved.
