Match Totals

Dutchmen- 5 Opponent- 2

Comments: Tonight's contest will serve both squads well in team districts next week. Five matches had either match tiebreaks, or set tiebreaks, or almost went to a tiebreak. Dawson's very high quality match at 1 was his first experience at that spot. His backhand and shot selection were solid, but Gupta's speed and experience allowed him to pull away in the second set. Liam was back to his solid low error game in his dominant win. Luke's opponent was very good but lost focus after the tiebreak to allow him to walk away with the win. Carter's first

singles match also was a great learning opportunity for both. His forehand and serve were almost enough. The battle of the night was first doubles. With the match still hanging in the balance the Dutch squad was down 1-4 and looked flat. Dawon and Liam found a way to pump each other back up, get their feet going and fight and claw their way to a win with smart aggressive shot making. Second doubles also overcame some nerves to get a tiebreak win. Lastly our third doubles team continues to gel and perform at a high level. A long match that took three and a half hours to finish. We are glad to have come out on top.
